

All students must have major medical health insurance as a condition of enrollment, and should be prepared to assume the costs of their medical care. JPCatholic Student Life can provide contact information for local practitioners, hospitals, or clinics.

It is the student's responsibility to find their own individual policy. Below is links to information on some medial insurance plans that are available for international students. Please note that JPCatholic provides this information as a convenience for students, and in no way endorses any of the plans.
